

## Chapter 38 Vocab

Make vocab cards for the following 54 words:

- Nerve net
- Nerve (Review from Ch 37)
- Central nervous system  
(Review from Ch 37)
- Peripheral nervous system  
(Review from Ch 37)
- Astrocyte
- Reflex
- Gray matter
- White matter
- Motor system
- Autonomic nervous system
- Enteric division
- Sympathetic division
- Parasympathetic division
- Brainstem
- Cerebellum
- Cerebrum
- Corpus callosum
- Lateralization
- Neural plasticity
- Short-term memory
- Long-term memory
- Sensory reception
- Sensory transduction
- Receptor potential
- Perception
- Amplification
- Sensory adaptation
- Mechanoreceptor
- Electromagnetic receptor
- Thermoreceptor
- Nociceptor
- Chemoreceptor
- Olfaction
- Gustation
- Statocyst
- Tympanic membrane
- Eustachian tube
- Semicircular canals
- Cochlea
- Organ of Corti
- Hair cell
- Round window
- Utricle
- Saccule
- Photoreceptor
- Compound eye
- Single-lens eye
- Pupil
- Iris
- Retina
- Lens
- Rods
- Cones
- Fovea
